Love - Father

Life - Spirit

Power/Light - Son

I am created to contain all the fullness of all that God is.  
 I am created to release God out from me in a river of life that brings life and healing and joy to everything it touches.  
 I am created to cast down every voice that speaks against the Word God speaks.

Here is the process, the pathway, the development and formation of Christ in me, my transformation into the image of Christ by the renewing of my mind, by rejoicing in suffering, and by the building up of the body of Christ, one member to another, as the path grows brighter and the Daystar arises in my heart.

Christ inside of me is my hope of glory.

I belong to You, let it be to me according to your Word

I abide in Jesus; He abides in me.

**I am crucified with Christ, but I still live, only it is not me, it is Christ living in me. The life I live in my flesh, I live by the faith of Jesus who loves me and gave Himself for me.**

**I enter into the Holy Presence of God by the blood of Jesus, through the veil of His flesh. My heart is made pure for His throne and my body is made holy for His temple.**

God reconciled me to Himself by the death (blood/cross) of His Son, BUT

Here is the foundation upon which I walk.

All verses that speak of the work God is doing inside of us.

**I partake of Christ as I continue to speak with confidence and rejoicing my hope - that I am just like Jesus, though I do not see it now. God always leads me to celebrate the victory of Christ in me before it becomes my visible reality.**

I love all who are members of Christ with a pure heart fervently.

I am saved by His life - living in me.

I am caught up to God and to His throne.

All of creation is eagerly waiting for the moment when I am unveiled as God's son.

Glorious liberty flows out of me into all creation.

I prove all the will of God, first in my body, then in all the earth as it is in heaven.

I am just like Jesus for I see Him as He is.

I, a mortal, put on immortality and I, corruptible, put on incorruptibility.

**Jesus defeats all of His enemies. He brings all creation into subjection to Him through love. Every knee bows and every tongue confesses that Jesus is Lord.**

**He does all of this through me.**

**Then Jesus turns and submits all creation, redeemed and made whole, back to the Father.**

**In the end, God is all things in all things.**

In the ages to come, God will show His great wisdom to all thru us. Of the increase of His government and peace there shall be no end.
